

# FCBR Member Benefits

Dear FCBR/IRES Member,

The Everitt Real Estate Center (EREC) has partnered with the Fort Collins Board of Realtors® and Information Real Estate Services® to provide you with a discounted annual membership. FCBR/IRES members can now join the Everitt Real Estate Center in 2012 for \$150 a year instead of the standard annual membership price of \$200 - a savings of \$50! Sign up now and receive membership cost for events and attend our members' only events for free.

EREC membership is an exceptional value for real estate professionals. In addition to networking opportunities, members receive **continuing education credits** by attending quarterly events and cutting-edge seminars on current real estate topics. Membership benefits include:

- ◆ **EREC House Price Indices Report** – Electronic copy of our semiannual analysis of the Northern Colorado residential market including Boulder, Larimer, and Weld counties – more than 150 neighborhood indices beginning in 1997
- ◆ **Quarterly Events** – Member discounted admission to four events with continuing education credits, typically 1 to 3 hours per event. Discounted admission toward the annual EREC Northern Colorado Real Estate Conference and free 4-credit hour mandatory Real Estate Commission Update Course
- ◆ **EREC Research** – Early notification of upcoming EREC research such as Market Updates, Industry Survey Research, House Price Indices Reports, Quarterly Research and attend EREC Market Insight events.
- ◆ **Networking opportunities with a interdisciplinary group of real estate professionals**
- ◆ **Support the growing body of real estate students and academic excellence at Colorado State University**
- ◆ **Access to real estate students seeking internships and full-time positions**

We invite you to supplement your professional FCBR/IRES membership with the EREC's industry-applied research and education.

To become an associate member of the Everitt Real Estate Center, just complete the form below or contact Anne Spry at (970) 491-5522. We look forward to your participation in the EREC!

Sincerely,
